

Dear Sponsor:

We would like to invite you to be a partner with our Saskatchewan Appaloosa Horse Club in 20___. We are presently seeking sponsors for our S.A.H.C. Shows that will be held throughout this year. There will be a large show held in Moose Jaw the in May, a June show and our final location will once again be Moose Jaw for the Thanksgiving long weekend. Sponsors for any or all these competitions would be very much appreciated.

As a sponsor, you would join others listed on our provincial website. Our sponsors are grouped under Gold Sponsors for those who donate \$1000 or more, Silver for \$500 to \$999, and Bronze for \$499 and less. In addition you would be acknowledged as our Show sponsor for that particular location. That would mean that your signage would be displayed and your company would be recognized by our show announcer. Any promotional material you could give us could be used by our announcer. You also would be very welcome to be a part of our show by making some of the presentations to our class winners. Your company would also be given complimentary tickets to our Annual Year End Awards Banquet. We would try in every way possible to recognize your support of our Club.

Our S.A.H.C. is registered so receipts would also be available for income tax purposes.

In closing we thank you in advance for any help you can give us in sponsorship. Ours is a good, strong club dedicated to our youth and our wonderful Appaloosa horses. With your help we can hope to make a real mark on the horse industry here in Saskatchewan.

Sincerely,
Karen Bedford
